EMMA O'BRIEN
FINEARTPHOTOGRAPHY

Professional portrait photographer, Emma O'Brien, specialises in capturing beautiful, natural images of individuals, couples and families.

Working exclusively on location using natural light, Emma will create a set of images that are as unique as you are, either in your home or at a venue of your choice.

Emma offers a range of high quality presentation options for your images including prints (framed and unframed), photo books, albums and images on canvas or block mounts. Please refer to the product price list for information on available products.

Emma will meet with you for a consultation two weeks after your shoot so you can view your images, make your selection and place your order. Emma will bring product samples to assist you with your selection. Please also take some time to review available wall space for photo art in your home before your appointment.

What to wear for your shoot

Jeans and white or brightly coloured tops always look very timeless, you are encouraged to bring a couple of different outfits for your shoot, Emma can advise beforehand if you need some guidance. Please avoid anything too patterned as this can be a bit distracting.

What previous clients have to say

'We booked Emma for a family shoot to celebrate our daughter's first birthday. Her sense of humour and patience with our three lively children made the experience a thoroughly enjoyable one. We ordered seven framed prints and a selection of canvasses which are always admired when people visit our home. She comes highly recommended'
